TENT CARD

Tent Card again is a versatile marketing tool. It can be used to uniquely endorse products, offers, and services, or even showcase simple information. With the flexibility of being placed just about anywhere with foot traffic, a well-created tent card design is effective in garnering considerable attention.

MENU

Menus aren't just a list of dishes available. Menus are tools capable of communicating a bar or restaurant's identity and atmosphere. A great menu design can enhance your customer's dining experience and make your food and drinks irresistible.

The Academy of STEM India

The Academy of STEM India (referred to as "The Academy") believes in a philosophy based on research to understand and understand. It strongly believes that investment in quality care and education by young minds is essential for the future growth and development of our country. The Academy is making concerted efforts towards disseminating wholesome education that not only aims at academic excellence but also helps develop a knowledgeable and socially concerned generation of young Indians. By successfully establishing a knowledgeable generation of students in different parts of the country, The Academy is working to provide responsible and decision making from a young age.

STEM World School (SWS)

STEM World School is a co-educational English medium day school up to higher secondary level following a progressive child centered education pattern. The school will be providing a strategic learning environment and holistic communication and interaction between teachers, students, and parents. At SWS, we will be providing education with an objective to empower students to make decisions, to find creative solutions and also effective action with the ever-changing world trends, right from the junior years to the senior level. The SWS believes in constantly re-evaluating, reviewing and evaluating the classroom and teaching strategy to create the most appropriate education that every child deserves.

COLLATERAL

We specialize in crafting an exceptional hotel experience through its collaterals. We make sure every piece of hotel collateral from arrival to the point of departure should deliver the brand promise. These include often-overlooked opportunities like registration forms, luggage labels, key cards, brochures, signage and bathroom amenities.
